THE MEETING COVERED THE FOLLOWING AGENDA:

AGRI-CLIMATE

- After introductions, the Coordinator presented the project's current status and key work packages.
- Discussions focused on Work Package 1 (WP1) background, actions, and a Q&A plan. Eurasia then presented the project's communication strategy.
- The afternoon covered project finances and Work Package 2 (WP2) background and actions.
- Discussions also addressed Work Package 3 (WP3) background, actions, and remaining activity implementation steps.
- Eurasia presented on Work Package 4 (WP4) background and actions.
- The meeting concluded with a focus on remaining activity implementation steps for Work Package 5 (WP5).

About the project:

The project is designed for the municipality, with the social inclusion of the farmers represents an advance sustainable economic development approach. This adaptation strategy will result in greater involvement of the community in the identification of the climate change problems and is critical for the formation of inclusive and transformative social policies and good governance.
